Seasoned and innovative business leader with over 30 years experience across a variety of roles. My success is driven by my ability to construct and then operationalize specific actions, practical policies, and strategic initiatives that drive growth and achieve a goal. I am guided by a curious analytical eye, fresh innovative thinking, determination, and unyielding integrity.

- Managing Partner at Capitol Fence; a residential and commercial fence installation business serving Columbus and surrounding suburbs for over 65yrs.
- Proudly serving as President of the Pickerington Lions Club, a non-profit organization that has served the community for 75+ years.
- By appointment only, operating RentaSky Media, serving clients with aerial photography, filming and video production needs.
- By appointment only, offering consulting services via WiskCal consulting.

I search for opportunities where my experience brings value and allows me to serve others, while continuing to learn and grow professionally.
